Published Monthly

Executive
Director

April showers bring May Flowers! Hopefully our wintry mix will turn to showers. The daylight hours have returned, and our daffodils are sprouting. That is a sure sign of spring! I don't know about you, but I am glad to see this winter end.

It is with sadness and optimism that the Terrace Leadership is undergoing changes. Nicole has resigned and is moving back to Michigan. Nicole has provided quality and compassionate care for the past 7 years. We will miss her deeply because she has become part of our residents' families. We wish her all the best in her future endeavors.

With that said, please join me in welcoming Kristina Henry. Kristina will assume the duties as Terrace Manager. She will be a great asset and is committed to ensuring your loved ones are cared for with excellence and compassion. Her email is kristina@homerseniors.com and her phone number is 907-235-4563.

We have also contracted with a traveling nursing service to bring up a traveling LPN. Her name is Cassandra Edwards. She will arrive in Alaska on Sunday March 27, 2022. Her first day will be March 29, 2022. Her shift will be in the evening. Her main task is to help our evening staff become as strong as our day shift workers. We will be recruiting a part-time nurse to perform assessments, train direct care staff, quality assurance, and medication management training. We will renew the contract with the traveling service until we hire a nurse to fulfill nursing components.

The new business model for the Terrace will change slightly. The Terrace Manager will be responsible for all administrative operations in the Terrace. She will also serve as my designee during my absence. According to State of Alaska Assisted Living Regulations, we are not required to have a nurse on staff. I believe having a nurse on staff provides a better model of care—which is why we will be recruiting for a part-time nurse.

We realize that change is always difficult; however, we are not immune to personnel changes affected by life in general.

We will officially re-open the Senior Center from 8:00 a.m. – 4:00 p.m. on April 11, 2022!

Masks will be optional. Remember, we still must protect our residents from hospitalization due to complications of COVID.

Join us on April 11 for a meal! The Silver Lining Café will be open for lunch from 11:30 a.m. – 12:30 p.m. (seniors at high-risk and seniors who care for high-risk people) and 12:30 p.m. to 2:00 p.m. (masks optional). Please make your reservation as we need to know how much food to prepare, and our seating capacity is a little more constricted than before. Please call Bonnie at 235-4555 to make your lunch reservation. We look forward to sharing a meal and hearing all your tales from the past two years.

We will begin the Activities in May. Look for your new Activities Calendar in the May Newsletter. In the meantime, volunteers are encouraged to sign up and get reinstated.

I would like to thank the Board of Directors for their leadership during the past two years. We have been through so much. We look forward to everything settling down once more and our lazy days of summer to return.

Keren

Homer Senior Citizens, Inc. Employee of the Quarter

Congratulations, Deb Rowzee!!!

Deb is always willing to say yes. She is an absolute pleasure to work with and has one of the best work ethics. Deb is always willing to lend a helping hand and no task is too big or too small for her. Deb's positive demeanor radiates throughout the kitchen. You can't help but be in a better mood when she is around. Everyone always looks forward to working a shift with her. When you know and trust that someone is good at their job, it allows you to have more fun while working. Deb is great at her job and works so diligently that there are always spare moments to fit in some excitement. Whether it's singing along to Abba or Deb giving an impromptu ballroom dance lesson, there's never a dull moment when she's here.

We are so lucky to have her as a staff member at Homer Senior Citizens, Inc. Congratulations Deb!!

Homer Senior Citizens, Inc Housing

Are you interested in Independent Housing offered by Homer Senior Citizens, Inc?
For seniors 55 and older who do not need assistance with daily living, we have 4 apartment buildings:

Kachemak Bay Senior Housing (KBSH)

Includes 16 one-bedroom apartments and eight two-bedroom apartments. All apartments have a kitchen stove, refrigerator, and washer/dryer.

Pioneer Vista Senior Housing (PVSH)

Includes two one-bedroom apartments and six two-bedroom apartments. All apartments have a kitchen stove, refrigerator, and washer/dryer.

Bartlett Terrace Senior Housing (BTSH)

Includes seven two-bedroom apartments and two one-bedroom apartments. All apartments have a stove, refrigerator, and washer/dryer. All units have an attached heated garage. All units are handicap accessible and one unit is handicap equipped.

Swatzell Terrace Senior Housing (STSH)

Includes four two-bedroom apartments. All Apartments have a stove, refrigerator, and washer/dryer. All units have an attached garage. All units are handicap accessible and equipped. Two of these apartments may be rented to low-income renters based on the HUD income guidelines for the "HOME" program.

*AHFC Equal Housing Opportunity

We have eight (8) active waitlists for our Independent Housing. If you are interested in getting your name on one or more of our waitlists you must fill out an application. Applications are available upon request by mail, email or you may pick up a hard copy from the administrative office during business hours. To request an application you may call (907) 235-7655.

Should you have any additional questions and/or concerns, you may contact Cassie Days, Facilities Manager, at (907)235-4553 or cassie@homerseniors.com.

April is Parkinson's Awareness Month

Why is April Parkinson's Awareness Month? April was the birth month of James Parkinson. He was a London Physician who published "An Essay on the Shaking Palsy" in 1817, making him the first physician to describe this disease. Parkinson's is a neurodegenerative disease that primarily effects dopamine producing neurons in a certain part of the brain. Symptoms can include tremors, movement and balance difficulties, limb rigidity, and delayed muscle action. Approximately 10 million people in the world have Parkinson's disease. Currently there is no cure, but there are some medications that can help ease symptoms. Here's some more information and ideas for how to observe this month:

Parkinson's Facts

- * There are no two persons that experience the same symptoms
- * Loss of smell and small handwriting are some early symptoms of Parkinson's
 - * More men than women are affected by Parkinson's disease
 - * The red tulip is the symbol of Parkinson's

How to Observe This Month

- * Attend a local event and get access to information about Parkinson's Disease
- * Show your support on social media - sharing posts increases views and helps spread further awareness about Parkinson's
- * Visit the neurologist - it's always a good idea to schedule a visit with your doctor if you have any concerns

Why is this month important?

- * Raising Awareness - Observing Parkinson's Awareness month encourages discussion about actions that can ease the issues faced by Parkinson's patients
- * Support for Victims - Through events, support can be offered for those with this disease. Additionally, there are often fundraisers which raise money towards aiding those with Parkinson's or towards research
- * Appreciation and encouragement for contributors - This month is an opportunity to appreciate the efforts of all those that contribute to the fight against Parkinson's. Organizations, individuals, healthcare professionals, and support groups all do valuable work.

Spring Health and Wellness

Spring has sprung and with the change of seasons comes new opportunities for health and wellness. As the weather gets nicer, consider these tips!

Put on your Walking Shoes

Walking benefits include controlling blood sugar, supporting bone and heart health and improving sleep. Make sure you choose an appropriate trail for your activity level and wear supportive, comfortable shoes.

Drink Lots of Water

As you age, your ability to notice thirst may decrease. So, it's very important to keep an eye on water intake. Dehydration can adversely affect memory and concentration and can also increase fatigue.

Watch for Allergies

Spring time marks the beginning of allergy season. Many weather reporters and websites now offer allergy predictions. Untreated allergies can lead to breathing problems, sinus infections, and colds.

Get Outside and Garden

Getting outside to garden can boost your level of Vitamin D (which Alaskans definitely need after a long Winter). Additionally, digging, planting, and weeding can help improve strength, flexibility, and agility.

Get a Check Up

If you're due to make an appointment with your physician, make sure to get your weight, blood pressure, glucose, and cholesterol levels checked. Heading into a new season knowing your health status can help you prepare for the adventures to come!

***Note: Before making any lifestyle changes or trying something new, always talk to your doctor to discuss the right course of action for you.**

What's Going on in Homer in April?

28th Annual Winter King Salmon Tournament

April 9th, all day. This is a one day tournament with tens of thousands of prize money to be awarded. Last year, 10 year old Andrew Marley, the youngest ever champion, won with a 25.62lb salmon!

Big Fat Bike Festival

April 9th, starting at 9am. The Homer Cycling Club is hosting a non-competitive 16 mile beach bike ride. Participants also have the opportunity to pack a bag, camp in Anchor Point and then do the 16 mile route back to the start!

Homer Council on the Arts Jubilee Exhibit

April 1st - 30th. The Jubilee exhibit will be at Homer Council on the Arts as well as some satellite locations around town. This is an annual exhibit that showcases the work of Homer's creative youth!

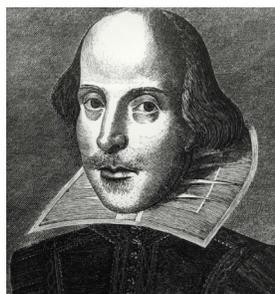

SPH Wellness Walks at SPARC

April 2nd & 16th, 9am - 10am. Head to SPARC for a free hour of safe, indoor walking. Stay active, connect with the community, win prizes, and get a dose of health and wellness education!

Monday Knitting Circle @ Homer Public Library

Every Monday, 1:30pm - 4:30 pm. Head over to the Homer Public Library to get ideas, work on a project, or get some input. This event is open to people of all ages and skill levels.

Second Sunday Shakespeare

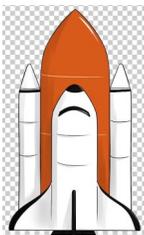

April 10th, 1:00pm. The Friends of Homer Library are working with Pier One Theatre and Kachemak Bay Campus and have invited the public to participate in an online reading of a play by William Shakespeare. Readings are done via Zoom. This month's play is Othello.

Fun Facts

April's Birthstone is the Diamond! Diamonds are a symbol of eternal love and marriage. It is thought that carrying a diamond provides the holder with strength, beauty, happiness, balance, clarity, and abundance.

April Fools! April Fools is thought to have begun in France in 16th century. The new year calendar was changed from April 1st to January 1st so the people who continued celebrating the April new year were dubbed fools!

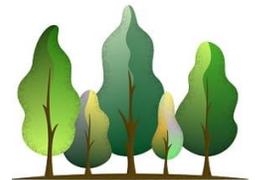

Houston, we've had a problem! On April 11, 1970 Apollo 13 launched from Cape Kennedy. Only 56 hours later Apollo 13 suffered a catastrophic explosion that crippled the ship. All the astronauts aboard the space craft were able to return home safe and sound.

April Observances! April celebrates Arab American heritage, child abuse prevention, and Autism Awareness. April is also Keep America Beautiful month, Jazz Appreciation Month and Poetry Writing Month,

Earth Day! April 22nd is Earth Day. This years theme is "Invest in our Planet" Together we must invest in our planet, because a green future is a prosperous future!

Arbor Day! April 29th is Arbor Day. Arbor Day was founded by Julius Sterling Morton, a zealous tree lover. Julius' goal was to spread his love for trees and encourage others to plant more of them. The first Arbor Day celebration was held on April 10, 1872 in Nebraska City, Nebraska.

April's Birth Flowers are
The Sweet Pea and the Daisy

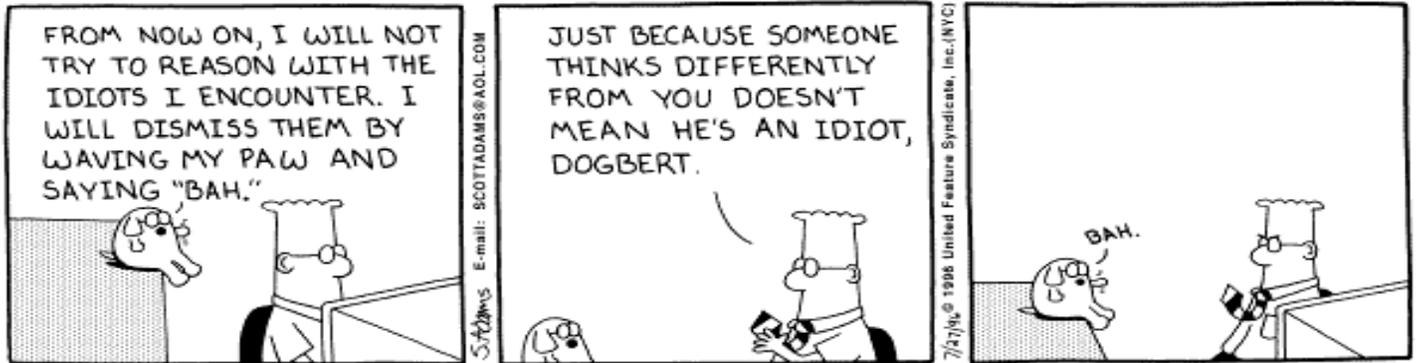

Sweet peas are meant as a flower to say good bye. Giving sweet peas to someone is also seen as a way to express good wishes and thanks.

Daisies represent innocence, purity, and true love. Daisies are also one of the first Spring flowers and can represent new beginnings.

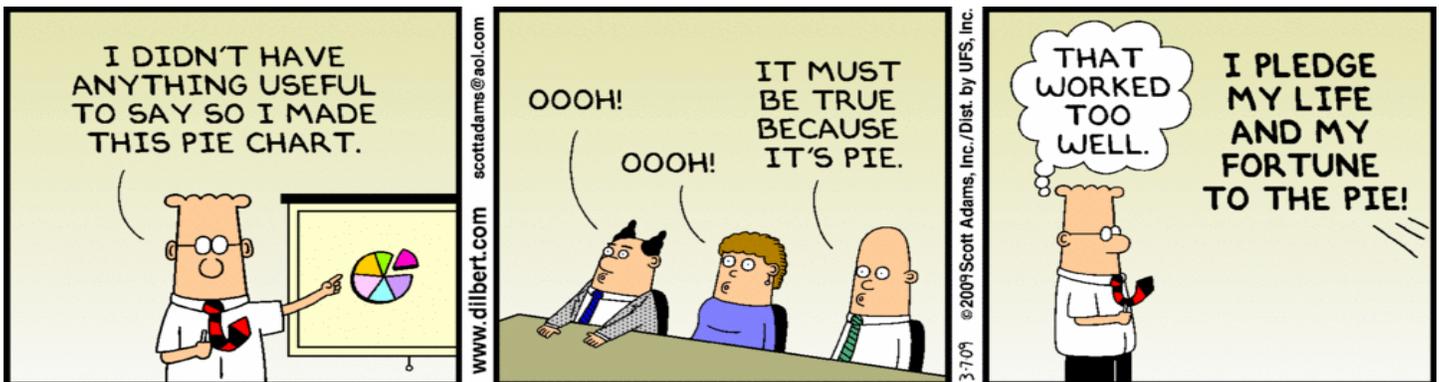

Gone But Not Forgotten Comic Strips

Each month we will include some of the resident's picks for their favorite cartoons. If you would like us to take you down memory lane with your favorite comic strip, just give us a call.

The comic strip Dilbert was created by Scott Adams in 1989. Originally, the comic strip was focused on Dilbert and his dog, Dogbert, and their life at home. Adams portrayed some office scenes in his initial comics and readers immediately demanded more. Adams fulfilled these demands and shifted his comic to focus on office work life.

The main character, Dilbert, was a computer programmer and engineer who often found himself being assigned illogical projects at his office job. Scott Adams' satire of the corporate culture and office politics really resonated with America's rapidly growing white-collar population at the time. The comic continued to gain popularity and got its own animated television series as well as various other merchandise.

"The Friendship Center" ADS News

Let's stay active and live life!

- March and April always remind me of rebirth. The snow is finally beginning to subside, and the sun starts making more of an appearance. Spring always feels like a fresh start. Homer Senior Citizens is bursting with sunshine and we are ready to roll. We are finally able to go into the community again and have been enjoying bus outings, shopping, mingling with friends, and planning for an exciting Spring.

Community participants, who are currently enrolled, can join us in ADS on Tuesday, Wednesday, and Thursday weekly 9:00 AM – 3:00 PM.

We have a ton of fun activities planned this month including Senior exercise, piano recitals, a Spring Hoedown Party, Brazil Carnival, live entertainment, local guest speakers and more! Check out the Adult Day Service calendar for April to see all the other exciting things we have planned.

Please contact Liz, Adult Day Program Manager, @ 907-235-4556 for inquiries regarding the Homer Senior Citizen's Adult Day Program.

What's Going on at HSC?

March was an incredibly busy month at Homer Senior Citizens, Inc. We had our monthly birthday celebration that is always highly anticipated and enjoyed. St Patrick's day was a blast and we went all out for it. We decorated the Friendship Center in green and enjoyed cake, sparkling cider, goodie boxes, and a delicious corned beef and cabbage lunch. We have been working diligently in preparation for our re-opening and we hope that you'll come and see all the changes that have been made. Our lunches have been amazing recently and we hope that you'll come in and join us as we re-open our congregate dining program. If you would like to reserve a meal, please call (907)235-4555.
